

## Quality First For Performance That Lasts

Intec's CVC240HXL Extended Life Mobile Safety Camera provides the widest field of view available for the most demanding applications. The multiple-sealed injection cast alloy enclosure and Mil-Spec connector guarantee reliable, waterproof performance which is backed by an industry leading 6 year warranty. An optional automatic shutter protects the lens area from dirt, dust and debris when not in use.

The CVC240HXL also features a built-in thermostatically controlled heater insuring reliable performance in the coldest climates and an IP68 waterproof rating. You can be sure the CVC240HXL will provide you with a clear picture of what's around your vehicle.

INTEC continues its record of technology, innovation and highest performance. Combine that with industry leading warranties and a dedicated staff ready to work with you and it's easy to see why Intec is the clear choice for your vehicle safety camera needs.

CVC240SHXL

Note: Shutter not available on the CVC241 and CVC242HXL's

The CVC240HXL Camera is compatible with all standard INTEC CVD Series Displays (some may require an adapter).			

Since 1978, Intec Video Systems, Inc. has pioneered the rear vision camera industry setting the standard for others to follow. With the widest field of view available, in both color and black & white versions, operators can easily observe blind spots surrounding their vehicle. Tested to withstand all vehicle generated and environmental conditions, Intec's safety camera systems are the highest performing and longest lasting systems available. Backed by the industry's most reliable warranty, our customers benefit from the lowest total life cycle cost of ownership.
