

CVC320HXL

Black & White Camera

Your Car Vision Model CVC320HXL Extended Life Mobile Safety Camera offers a wide field of view in a robust, heavy duty design. A durable, multi-sealed, alloy enclosure guarantees watertight performance for your most demanding applications.

The mil-spec circular connector insures a tight, positive connection for years of worry-free operation. The internal thermostatically controlled heater aids visibility in colder climates.

The CVC320HXL features an IP68 waterproof rating, and is backed by an industry leading, eight-year warranty.

As a global leader, INTEC's technology, innovation and forward thinking continues to set global standards for quality, reliability and performance in the industry.

Our products are backed by unparalleled warranties and a dedicated engineering and sales team ready to solve your mobile video safety system requirements.
