

CVC500AH

Color Camera

Your Car Vision Model CVC500AH Audio Equipped Mobile Safety Camera offers a wide field of view in a compact design. A durable, multi-sealed, alloy enclosure guarantees watertight performance for your most demanding applications.

Featuring a compact, light weight design, wide field of view and superior low light sensitivity the CVC500AH continues Intec's long history of quality and innovation.

The CVC500AH also features an internal thermostatically controlled heater to aid visibility in colder climates, includes an independent laboratory certified IP68 waterproof rating and is backed by an industry leading, five-year warranty.

As a global leader, INTEC's technology, innovation and forward thinking continues to set global standards for quality, reliability and performance in the industry.

Our products are backed by unparalleled warranties and a dedicated engineering and sales team ready to solve your mobile video safety system requirements.
