

# CVD650LCD-A

Color Display

**Your Car Vision Model CVD650LCD-A Extreme Duty, Waterproof, Mobile Safety Display** has been designed to meet all of the requirements of today's demanding vehicle environments.

Our high resolution 6.5" LCD provides you with clear, sharp images while new state-of-the-art electronics enable better contrast and improved image clarity.

The automatic brightness control feature lightens or darkens the screen brightness in accordance with the amount of ambient light around the display and our optional radar blind spot object detection sensors provide audible and visual alerts for the operator.

The CVD650LCD-A is backed by an industry leading five-year warranty.

Built tough for demanding applications, INTEC's video safety systems are the perfect solution for all your visibility concerns.

Our products are backed by unparalleled warranties and a dedicated engineering and sales team ready to solve your mobile video safety system requirements.
