

Video Sentinel® Monitor VSMC084WP

Quality First For Performance That Lasts

Display Size: 8.4"

Pixel Format:
640(H) x 480(V)

Pixel Pitch: .330 (H & V)

Pixel Configuration:
R, G, B Vertical Stripe

Display Type:
Active Matrix Color TFT 6-bit

Viewing Angle (H x V):
+ / - 70 x + 40 / -70

Enhancements: Direct
Bond Anti-Reflective Glass,
Passive Back Light, Contrast

Luminance: 500 nits

Contrast Ratio: 300 : 1

Bright Control:
Sealed Potentiometer

Video Input:
NTSC Composite

Mounting: U-Bracket

Power Requirements:
12VDC

Connector: AMP CPC Type

Inputs/Outputs:
Video, Data, Power

Construction:
Cast, Machined 356 T51 Al

Finish: Powder Coat Black

Environment:
All weather

Temperatures (C):
-10 - +65 Deg. (Operation),
-30 - +70 Deg. (Storage)

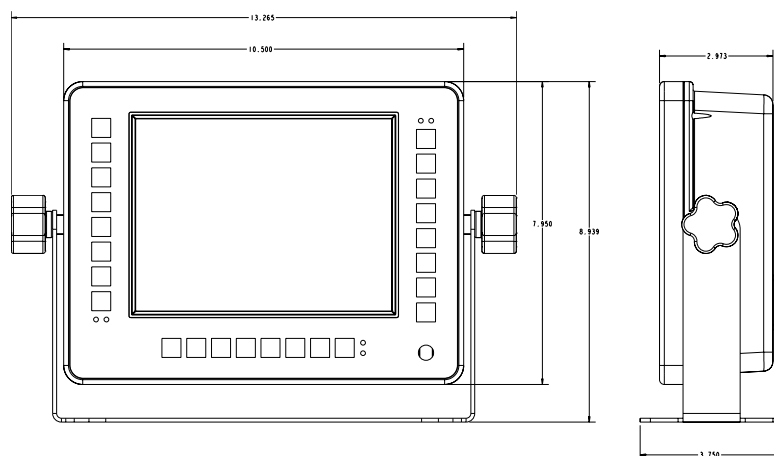

Weight: 8.4 lbs.

Dimensions (H x W x D):
9.4" x 12.0" x 3.9" (With
Bracket)
8.6" x 12.0" x 3.3" (Without
Bracket)

Product Benefits

- **8.4" Color LCD** – Contrast and backlight enhanced with anti-glare coating provides superior image quality in all lighting conditions
- **Weatherproof** – Environmentally sealed housing allows for exterior mounting applications
- **500 nit High-Bright performance** – Provides sunlight viewable display with adjustable bright control
- **Integrated System Control** – Integrates all Video Sentinel System control functions of both Color Zoom and Thermal Imaging Cameras and Remote camera Mount(Pan/Tilt)
- **Single Weatherproof Connection** – All function and power signals are made through a single connector
- **Universal Mounting Bracket** – Adapt to any vertical or horizontal mounting surface
- **Wireless Compatible** – Universal to both hardwired and wireless system configurations

Dimensions

Power: On/Off

Select: Camera to Display

Wiper: On/Off

Pan/Tilt:
Up, Down, Left, Right

Color Zoom Camera

Zoom:
Tele, Wide , 2X Digital

Focus:
Near, Far, Auto On/Off

Iris: Open, Close

IR Cut Filter: On/Auto/Off

F1: Special Function

Thermal Imaging Camera

Focus: Near, Far

Gain:
Auto/Manual Up/Down

Level:
Auto/Manual Up/Down

Polarity:
White Hot/Black Hot
